

Individual report

What I did:

For code part:

Split our test suite into several groups and generate report separately.

For others:

Write report and make presentation slides.

Peer evaluation:

Keith Chua: 9

He conduct the whole project specially for the implement of the main function. Chun

Zhi Heng Davis: 9

He give the structure of the whole project and help to imply.

Angela Hu: 9

She responsible for imply the contrast of the new and old report part.
